Funds are available through the Workforce Investment Act to train currently employed workers. The Upper Savannah Area, which consists of Abbeville, Edgefield, Greenwood, Laurens, McCormick, Newberry and Saluda Counties, was awarded \$159,400 to contract with area businesses. Businesses applying for funding must have at least one full-time employee and must be current on all state tax obligations.

Third party brokers may enter into IWT agreements on behalf of employers. Third party brokers may include: business associations, industry councils, chambers of commerce, downtown development corporations, etc.). Brokers cannot be involved in the training of the employees and cannot be reimbursed for administrative costs. City, county and state government agencies are ineligible for Incumbent Worker Training Funds.

Because funding is limited, a panel from the Upper Savannah Workforce Development Board will rate applications based on the cost-effectiveness of the investment. Priority for funding will be given to 1) Businesses whose applications represent a significant upgrade in employee skills and/or employee wage increases as a result of training, 2) Businesses whose training applications reflect a significant layoff avoidance strategy and provide retention opportunities, and 3) Businesses/Business Sites who have not received an Incumbent Worker Training Program award during the prior or current program year.

Businesses should note that this year funding will be limited to \$15,000 per business and should provide a matching contribution determined by the number of employees of the company. Training must begin no later than September 17, 2008, and end no later than June 13, 2009.

Upper Savannah Council of Governments will contract with the selected business(es) to write a contract for incumbent worker training. Costs will be reimbursed after the business provides the training services specified in the contract. Reimbursable training expenses include instructors'/trainers' salaries, curriculum development, textbooks/manuals, and materials/supplies.

*Upper Savannah Council of Governments **must** receive applications by noon, Friday, June 13, 2008. Applications received after noon, Friday June 13, 2008, will not be considered for funding. A question and answer session regarding the Incumbent Worker Training Program grant application process will be held at 8:45 am Friday, May 30, 2008, in the Upper Savannah Council of Governments conference room, 222 Phoenix Street, Suite 200, Greenwood, SC.*
